

GSRC Newsletter Index

March 1986 - December 2012

The first newsletter of the Genealogical Society of Rockland County was distributed in March of 1986, six months after the organization was chartered. Topics which are currently useful to those researching Rockland County ancestors have been included in this index, while obsolete subjects, such as member addresses and announcements, have been omitted. In addition, only queries that received responses have been included. Newsletters published between March 1986 and December 2012 can be accessed at <http://rocklandgenealogy.org/newsletters/old/> .
