invites you to join us at our monthly meeting

New City, New York
on the 4th Tuesday of the month at 7 P.M.*

The 28 February 2006 program will be:

Riders of the Orphan Trains
presented by Tom Reilly

Orphan trains, which left from Manhattan with cargoes of children, traveled to many remote corners of the United States, dropping off children at each stop along the way. Some of those children ended up here in Rockland County. Come and find out what made these trains necessary; how did the young riders fare after being handed over to families at the stations; when did the trains stop. This is a fascinating and largely unknown segment of our history!
