

# GENEALOGICAL SOCIETY OF ROCKLAND COUNTY NEWSLETTER

VOLUME TWO  
NUMBER ONE  
MARCH 31, 1987

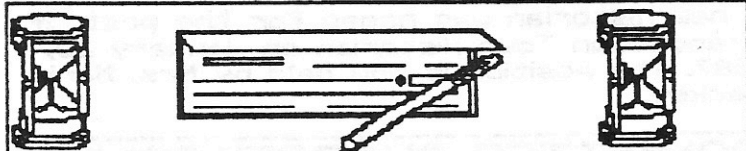

## PRESIDENT'S MESSAGE

In June we will be completing our second year with a membership reaching to 125 members. An average of 25-30 members attend each meeting. Election time is again with us and we are looking forward to seeing some new faces to help maintain the high level of interest in our society.

Pat Kerner has again provided us with some very interesting programs: two on restoration and preservation -- one on photographs and tintypes, the other on books and documents. Representatives of the SAR and DAR talked about the requirements and activities of their organizations. We had a program on the use of computers in recording family genealogies, and slide shows of local areas. February was a special treat at the home of Joan and Tom Dater where Joan displayed and discussed memorabilia in the family's possession over the years.

Join us whenever you can at a meeting or write to us giving your comments or suggestions.

Marie Koestler

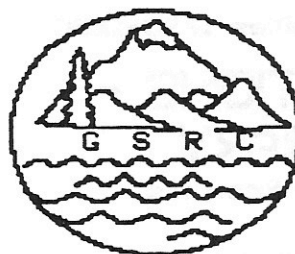

### DUES

SOME MEMBERS HAVE NOT YET PAID  
THEIR DUES FOR THE 1986-1987 YEAR.  
THEY WERE DUE IN SEPTEMBER 1986.  
PLEASE PAY IMMEDIATELY IF YOU HAVE  
NOT DONE SO.

## LOGO CONTEST

We have received two logo suggestions from members of the society. We will be discussing the entries and voting on them at a future meeting. Members who are unable to attend our meetings are invited to vote by mail, or to "write in" additional suggestions for presentation at the meeting. If you write in, please indicate your preference for logo "A" or "B". Thank you.

A

B

Logo "A" was suggested to portray the Ramapo Mountains and the Hudson River, both of which figured in the history and family life of Rockland County. Logo "B" was suggested for the "family tree" connection, and its stylized approach. My apologies to either member if the artwork here does not accurately represent their idea.

Wanted to share with you that Les Baisley had done some very astute research and established the lineage of Catherine August Smith for me by finding the will of her father in county records-- a major breakthrough and he is to be (continued on page 3)

## EDITOR'S NOTE

In our never-ending quest to make our newsletter interesting, readable, and easy to produce - we have obviously instituted a new format. The new layout and print type are a result of our newly purchased computer software "The Newsroom Pro." This software makes it possible to produce the newsletter entirely on a personal computer without doing any cutting and pasting. It also makes it possible to produce artwork like the logos, etc. on the keyboard. It was necessary to change paper size since this program is not flexible in that area.

I hope that other members who have access to an IBM or IBM compatible will learn to use the software. This will allow other members to produce the newsletter if I am unavailable, or if the membership decides they would like input from others.

I hope you enjoy the new format!!!

Chris Adams

## HELP IN HAMBURG

(FROM US NEWS&WORLD REPORT NOV 17,1986)

Hamburg Historic Emigration Office has

comprehensive records of emigration

through Hamburg to North America during

the 1850-1914 period. On microfilm are files

documenting the nearly 5 million people who

left Poland, Russia, and other Eastern

North America via Hamburg. If inquirers

supply an emigre's name and the year of

emigration, the office can provide his or

her age, occupation, marital status,

number of children, city of origin and the

ship's name, destination and date of

sailing. The search costs \$30. For visitors,

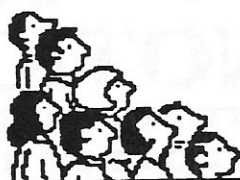

the process takes only an hour. By mail,

the wait can be up to six months. For

details, write: Historic Emigration Office,
